

## KRD WELCOMES YOUNG RESEARCHERS - PHD CANDIDATES

Dear PhD Candidate,  
You are starting your doctorate, congratulations!  
Let's create a strong community of PhD Candidates together!

The purpose of the National Representation of Doctoral Candidates is to act for the benefit of PhD Candidates in particular by:

- representing and promoting the PhD Candidate community,
- expressing opinions and presenting proposals in matters concerning all PhD Candidates, including giving opinions on drafting normative acts,
- protecting the rights and interests of PhD Candidates,
- taking care of increasing the quality of PhD Candidates' education,
- supporting and promoting self-government and mobility of PhD Candidates,
- popularization of science.

Do not hesitate to contact us if you have any doubts, problems - small and big ones, but also to share good news with us - what you like about your Doctoral School, what gives you energy for your research work!

KRD is not only an organization, but above all people who are always willing to help you!
